

The Taunton River
Wild and Scenic River Study
Outstanding Resource Values

Fisheries Resources Map At
Anadromous Fisheries

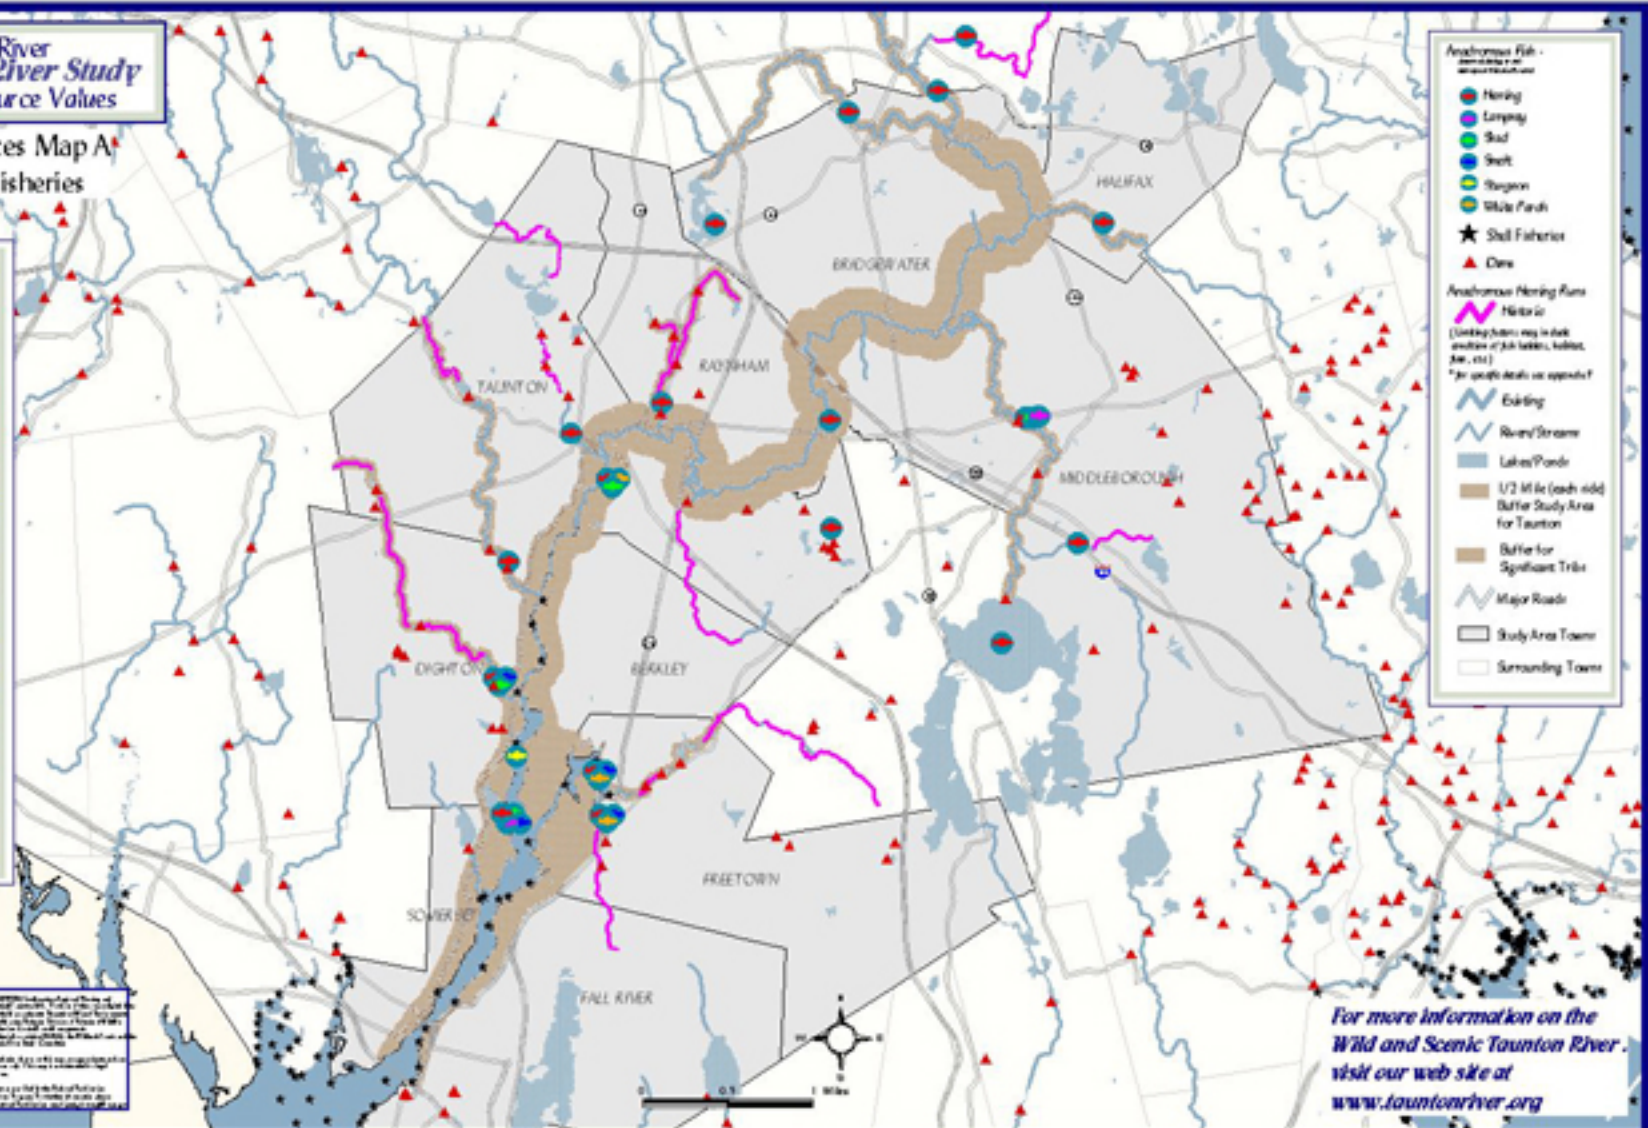

Alewives

Blue Back Herring

American Eel

This map is a preliminary resource map and is not intended to be used for regulatory purposes. It is intended to provide information on the location of Outstanding Resource Values (ORVs) and to assist in the development of a management plan for the Taunton River. The map is based on data provided by the Massachusetts Department of Environmental Protection and other sources. It is subject to change as more information becomes available.
